

# Culture Cultural Humility and

# Implicit Bias in Patient Care

Presented by Mekbib L. Gameda

Vice President of Cultural Diversity at Eastern VA Medical School

After the session participants will be able to:

- Describe the importance of cultural awareness and cultural humility in providing high quality patient care.
- Describe Implicit Bias as a barrier to patient care and identify several ways of mitigating bias.

**Friday, June 2, 2017 @ 10:00 a.m.—Noon**
